Nice comfy reception sofas!
The sofas were bought for the reception where they sat for 5 years. In that time 12,768 bums have sat on their sumptuous leather.

After the infamous hot chocolate spillage of Spring 2015 the sofas were moved out of the reception and into a storage area where they sat for 6 months before being added to the reuse system.

Sophie from the Student Union has just claimed them and they will be going into a student chill out space.
